PROFESSIONAL SUMMARY

Ambitious and quick learner aspiring to establish a thriving career in Information Technology. Adaptable and self-motivated web developer with a passion for delivering exceptional project results. Skilled in leveraging the MERN stack to create dynamic and scalable applications. Proven ability to work both independently and collaboratively to achieve team objectives.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React.js
Backend: Node.js, Express.js
Database: MongoDB
Programming: Python

PROFESSIONAL EXPERIENCE

Wiz inoa Technologies

Intern | Web development | July 2024 - October 2024

- Learned web development principles and best practices, including responsive design and software development methodologies.
- Developed and deployed a sample application showcasing CRUD functionality and user authentication using the MERN stack (MongoDB, Express.js, React.js, Node.js)

EDUCATION

The American College   **2021- 2024**

Bachelor of Computer Applications   GPA:7.7

SAIRAM MATRIC. Hr. Sec. School

Higher secondary Education (Class XII) : scored 89.9%

Secondary School Education (Class X):   scored 86.4%

PROJECTS

Movie Recommender System | Python
- Utilized cosine similarity and sentiment analysis to deliver tailored recommendations based on user preferences and IMDB reviews.
- Added a feature to display detailed information about the movie's cast, including lead actors, supporting characters, and their biographies.

To-Do Application | MERN
- Implemented user authentication features such as login, signup, and logout using JWT(Json Web Token).
- Added a "Forgot Password" functionality by sending a password reset link to the user's registered email.
- Enabled task creation, updates, and deletion with real-time synchronization for a seamless user experience.

Weather App | React.js | weatherapi
- Displays real-time weather data for multiple locations and dynamically updates the UI for better user interaction.
- Integrated a 24-hour weather forecast feature with detailed information.

CERTIFICATONS

MERN Stack Development Certification (Wiz Inoa Technologies).

Data Science using Python Certification (Teachnook Online Platform) .
